Registrations will be accepted in person, via fax, mail and online. No telephone registrations will be accepted. To register for the course, complete this registration form, and return it to the Nebraska Safety Center with payment or you may register online, by visiting our website at: www.unk.edu/dred. Additional classes are listed on our website. A postcard confirming enrollment will be sent upon receipt of registration followed by a detailed letter approximately 2 weeks before class. There is a parent/student meeting the first hour of each class.

All payments (except online), must be sent to the Nebraska Safety Center Office (address on back). We accept MasterCard, Visa, personal checks or money orders. If you pay by check or money order, please make payment to "Nebraska Safety Center at UNK". Payment plans require a \$115 deposit at the time of registration and payment in full prior to the end of class. Class results will not be reported to the DMV without full payment. Failure to pay by the end of class may result in your account being sent to collection.

Classes require a minimum enrollment of 8 students and are limited to a maximum of 24 students. Enrollment will be on a first-come, first-served basis. Classes which do not meet the minimum enrollment are subject to cancellation. Each student is required by the Nebraska DMV to have a valid permit in order to enroll in this course.

If the driver education student is under 18 years of age, passing the course results in a waiver of the written and drive tests at the Nebraska DMV's Driver Examination Office. If the student is 18, or older, he/she will receive a certificate, but is required to take the written and drive tests at the DMV office.

This course conforms to the rules and regulations of the DMV and exceeds the criteria established for insurance discounts. Nebraska DMV regulations require that, "Students must attend all course presentations and pass all examinations". Therefore, any missed portion of the course, for any reason, must be made up prior to the issuance of a waiver. Make up session(s) may include additional fees.

Behind-the-wheel drive times are scheduled with the instructor at mutually convenient times and will be completed as quickly as possible. Each student is provided 5 hours of behind-the-wheel driving time. Students requiring more hours of driving time will be charged \$50 per hour. If a student schedules a time to drive and is not present for the lesson, that lesson will be rescheduled and the \$50 additional fee will be assessed.

If a student requires accommodations due to a documented disability, please contact the Nebraska Safety Center prior to the beginning of the course. Special arrangements can be made to accommodate these needs.
